**Subject: "2024 Elite Scholarship" opportunity for University lecturers**

Honorable Vice Chancellor/Director/Dean,

It is glad to inform you that the Education Division, TECC would like to introduce the '2024 Elite Scholarship' programme to Indians who are currently university lecturers and interested in pursuing doctoral programmes in Taiwan.

This Elite Scholarship program is to encourage the lecturers who do not have doctoral degree and can apply for this scholarship in order to upgrade research skills for them in all fields and to enhance international ranking of his/her home university. The period of the application is very short for a month, from October 1<sup>st</sup> to 31<sup>st</sup>, 2023.

We sincerely hope that your institute announce this information to lecturers or recommend outstanding lecturers to apply for this scholarship. The lecturer has to apply for admission on their own, however, we will assist to recommend to the concerned university if you send us the name list of applicants and their CVs before the end of October 2023.

The selected lecturers will start their studies in fall semester of 2024. The monthly stipend will be NTD\$ 25,000/per month (approximately Rs. 65,000/per month), up to 3 years.
