

Message from the HOD's Desk

Ever since the department of Electronics and Communication Engineering started its journey over two decades back, the department has been simultaneously and successfully performing the multiple roles of creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool contributing in various domains of the society. The Department has always been on a high growth path and has experienced and dedicated faculty with strong commitment to engineering education who work with zeal and enthusiasm to provide a vibrant and optimum learning environment. The growth of expertise in the department is commendable. In keeping with the department's vision, the holistic development of the students is focused upon that instills a habit of continued learning and a sense of responsibility in them to contribute towards the betterment of the society. The periodically updated curriculum imparts technical knowledge to the students and the application based environment in the state of the art laboratories complements the same. The students are motivated to participate in paper presentation, workshops and seminars that are essential to maintaining proficiency. Cultural activities are also promoted through various clubs at the departmental and university level. A strong positive reputation of the department pulls companies like TCIL, HCL, TCS, CDAC, Samsung, Infosys, Perot Systems and many more for campus recruitment. A large percentage of students also qualify GATE for pursuing higher studies and a lot of students join institutes of repute abroad, particularly Germany. If you have further questions after visiting our website which provides details of faculty members, research activities, research facilities and various student activities, please feel free to contact us on email address provided on faculty pages.

Thank you for visiting us.

Prof. Sajad A. Loan
Head of the Department
