Title: Iftar party (Sharing the joy of togetherness)

Venue: Waiting area, FOD, JMI

In the true spirit of Ramadan, Faculty Of Dentistry, Jamia Millia Islamia, came together to organize a remarkable Iftar event on April 13th. This memorable occasion was meticulously planned and executed by the dedicated team of interns from Batch-2018, in close collaboration with esteemed faculty members.

The Iftar event, held within the premises of the Faculty of Dentistry, graced by 270 persons, aimed to foster a sense of community & harmony. It provided an opportunity for faculty members, staff, and all the students including interns to come together, and strengthen the bonds of camaraderie.

The success of the event would not have been possible without perpetual support of Dean, Prof Keya Sircar and all the faculty members, non-teaching staff, and interns, who contributed generously for the occasion. We hope to continue organising such events in future.
